

# The Sign Shop

*Pointing YOU  
in the right  
direction*

RELIABLE | RESPONSIVE | CARING

**SOLUTIONS** SK

A Stockport Council Company

The Sign Shop has over 30 years experience in producing high quality internal and external signs, banners, vehicle livery and much more. This experience gives us the depth of knowledge to tailor products to the individual needs of our clients.

We can work with you from inception through to completion, building a strong relationship to ensure excellent results. The partnerships we have created along the way bear testament to our way of working.

We have an extensive portfolio of clients including:

- Local authorities and charities
- Housing associations
- Schools and colleges
- Healthcare providers
- Commercial developers
- Various private sector companies

Using the latest computerised design and layout equipment, we supply a variety of signs for buildings, offices, work sites and roadwork areas - all to Department of Transport specifications.

We offer advice on local authority planning matters and can also apply on your behalf for advertising consent, if required.

### Directional Signs

All external directional signs are designed and produced using computer operated systems to cut vinyl and we can supply many different styles and colours.

We are a 3M and Rennicks UK warranted company and can offer a 10 year guarantee for our customers. This covers against effects of sunlight and failure of materials.

Interior sign production includes safety signs to comply with Quality Standards and COSHH regulations.

A range of information signs can be produced including:

- Directional signs to exits, offices etc.
- Door name plates
- Street name plates
- Public building signs
- Warning and safety signs
- Mandatory signs
- Fire regulation signs
- All temporary roadwork signs

### Banners and Vehicle Livery

Banners can be produced in hard wearing vinyl based on customer designs, for both internal and external use. Advice on banner 'fixings' can be supplied.

Vehicle livery can be printed and applied on-site to most vehicles ranging from one colour to full colour designs. Materials used range from permanent adhesive vinyl to temporary magnetic panels.

Our extensive range of services also include digital printing, corporate signage, temporary magnetic panels, shop and warehouse signs, window graphics, exhibition displays and promotional stickers.

### Quality Assurance

You are assured of a high quality service guarantee and an important aspect of our service to you is the aftercare you will receive.

Contact us for all enquiries, including a free no obligation quote or further information about our range of services.
