Weddings and other Extra Special Events

One of our own locations, the grade 2 listed Stockport Town Hall is perfect for functions such as weddings and corporate events. With its magnificent architectural features, the building is aptly named the 'Wedding Cake.' The clock tower rises to an impressive 130 feet above pavement level. It has a highly photographic staircase made from Italian and Sicilian marble.

The elegant Edwardian ballroom is a perfect location for large functions. There is also an array of other traditional suites for the smaller event or party. Whether in the Town Hall or a venue of your choice, we can offer a full range of menus and packages to suit your needs.

We can also offer all-inclusive wedding packages (available Fridays and Saturdays).

The Venue Catering team has many years unrivalled experience in the preparation of buffets through to organising multiple course dinner parties. The team delivers high quality results consistently. Our management team knows how to cater for all tastes and aims to provide 'the icing on the cake,' by ensuring that your wishes come true and every event runs like clockwork.

Contact us for more information on our tempting menus, special packages and prices, or visit our website for buffet menus and prices for refreshments and sundries.
